Students must complete the following courses prior to entering the Medical Laboratory Science Program: BIOL 121N/122N, BIOL 250, BIOL 251, CHEM 121N/122N, CHEM 123N/124N, CHEM 211 and STAT 130M

Successful applicants will be admitted for the BSMLS online degree completion program provisionally upon passing Medical Laboratory Technician certification exam.

- a. If the MLT certification exam is not passed, the student admitted to BSMLS program will be able to enroll in the regular BSMLS (not degree completion program) if space is available.
- b. If the applicant passes the MLT exam and is accepted to the online degree completion program but has not been working as an MLT, their competency to be evaluated at clinical sites affiliated with ODU MLS program. If competencies are not met, the student will be able to enroll in clinical practicum courses designed for regular BSMLS students if space is available.

Following verification of certification and completion of all courses in this agreement, the lower division general education requirements will be met. Oral Communication is met in the major. In addition, students will be exempt from Organic Chemistry Lab, and MLS 441, 442, 443. Exemption may be revoked if the student is on probation following admission to ODU or if their performance in MLS courses is not satisfactory (a B or higher is required). Lower Division General Education waiver and course substitution are not automatic upon enrollment to ODU, students must notify academic advisor for these to be processed upon verification.

Grade of C or higher is required to receive course credit. AAS courses and all Nursing courses at ODU require a C or higher grade as well.

Course requirements listed in this agreement are based on the 2022 catalogs for each institution but are valid until 2024, unless an updated agreement guide was created and is available on the ODU Transfer Pathways website:
