- 4 of the 7 SDVOSB/VOSB winners of the Centers for Medicare & Medicaid Services SPARC contract are VIP GROW Graduates
- Over 1/3 of the VA VECTOR winners are VIP Graduates
-

VIP Testimonials

"One of the most important things we can do is help [veterans] find opportunities in the business community. As a member of the Chamber's Foundation, we have established VIP to help veterans find opportunities in the business community. The Federal Government has committed to contracting with veteran-owned businesses. It is timely that the Chamber's Foundation established VIP to train and qualify veteran-owned businesses to compete for these procurement opportunities."
