V. INFORMATION ITEMS

Committee members received information on a request for leave of absence without compensation. In the report from the Provost, Austin Agho presented information on program additions and discontinuations since 2011 as well as program discontinuations and reallocations at the Virginia Beach Higher Education Center. He also presented information on a comparison of faculty salaries in selected disciplines to a group of universities in neighboring states. In most cases, salaries of ODU faculty are lower than the average salary at the comparison institutions.

In the report from the Vice President for Research, Morris Foster presented information on two research projects at the University that have been funded through Go Virginia – cyber data and digital shipbuilding. Other opportunities for funding from Go Virginia and the Virginia Research Investment Fund are water technology and port logistics.
