Banner is an internet-based Administrative System used by many universities to help manage many different aspects of secure university information, to include student information, financial reporting and budget information, staff and faculty records, etc.

information to various departments who are in need while remaining secure and maintaining confidentially. We have strict standards for use, and access is only granted to those individuals for whom their job requires access to view, input, and/or edit Banner data. Those individuals will receive access to the forms necessary to perform their job functions.

You are only able to see forms that are relevant to your department and daily job requirements. You will generally not have unlimited access to view all of the forms within Banner.

You may request Banner access through the Universal Account Request Form, found on the ITS website: <u>https://www.odu.edu/ts/access/monarchkey/online-account</u>

There are different levels of Banner access, some of which you will not be granted access to. Your Budget Unit Director must approve your request to gain access to these forms.
